

وَلَقَدْ يَسَّرْنَا الْقُرْآنَ لِلذِّكْرِ فَهَلْ مِنْ مُدَكِّرٍ

And We have certainly made the Quran easy to remember. So is there anyone who will be mindful?

HIFZ

The full-time hifz program is dedicated to the memorization of the Quran, focusing on accurate recitation (tajweed) and understanding of its verses. Students learn through repetition, reciting in front of a teacher for correction and guidance. The environment is structured in a way that teaches discipline and spiritual connection to the Quranic teachings.

At IPC Academy, we are committed to providing a high-quality education grounded in the Ontario curriculum. Our academic programs are designed to meet the standards set by the Ontario Ministry of Education, ensuring that students receive a well-rounded and comprehensive education.

Our curriculum focuses on developing critical thinking, problem-solving, and analytical skills, preparing students for both academic and personal success. With a blend of core subjects and diverse learning opportunities, we aim to foster a nurturing environment that supports intellectual growth and encourages lifelong learning.
